

**NIH Principal Investigator Assurance of Compliance Statement**  
**Binghamton University**  
*Effective May 10, 2006*

Effective May 10, 2006, NIH is no longer requiring the signature of the Principal Investigator (PI) as a part of application, post-submission information, progress reports, or post-award approval requests. As a new institutional compliance requirement, NIH has transferred responsibility of securing and retaining PI signature to the University as part of the institutional review/approval process.

Please complete this form and submit it to Research Development Services with each action item listed below:

Check One	Submission Type	Required Information
	New competing NIH grant application (398)	Application #:
	Progress Report (2590)	Award #: Project #:
	Prior Approval Request	Award #: Project #:

**NIH requires the certification of the following language:**

I (we) certify:

1. That the information submitted within the application is true, complete and accurate to the best of my (our) knowledge;
2. That any false, fictitious or fraudulent statements or claims may subject me (us) to criminal, civil, or administrative penalties; and
3. That I (we) agree to accept responsibility for the scientific conduct of the project and to provide the required progress reports if a grant is awarded as a result of the application.

This assurance must be obtained for all named PIs and CoPIs.
